Celebration Is Planned When Street Opened

Keystone To Observe Main Street Paving With Program

KEYSTONE.—A large crowd attended the regular meeting of the Keystone Chamber of Commerce held Saturday night at Booster's hall on Main street where many questions of importance to the community at large were discussed.

Plans were presented for a celebration of the completion of the paving project on Main street by Mr. Brazee. He said that he had received the consent of Frank Merriam, of Long Beach, and Supervisor John R. Quinn to be present for the event. A 30-piece band and a 16-piece drill team have also been secured.

The committee follows: Russell Ellis, chairman; John R. Hilpert, Z. W. Jennings, Roy Berry, Harry C. Roque, H. H. Barnard, Charles LeBoeuf, J. S. Stepp, George Nahmens, George Koehler, Joel Strohl, Thomas A. Cowan, Paul Button, Frank McKinley, I. Weiditz, and Robert Hill.

Berry Complimented Thomas A. Cowan was asked by the chair to report what he thought was the consensus along Amelia street from Main to Avalon boulevard in regard to paving the strip. He said that he had talked to quite a few property owners in that section and found that it seemed to be the opinion of a great many that it would be folly to pave right now before the sewer lines were laid.

Mr. Brazee suggested that a meeting of the property owners in that section be called together to find out definitely what the property owners did want, done about improving the street. The chamber is always willing to assist any section of the community in securing improvements. Mr. Brazee added, "Amelia street from Main to Normandie was paved last spring but nothing was done to the remaining section of Amelia at that time."

A very interesting but lengthy report of the recent Harbor District Chamber of Commerce meeting held at Royal Palms September 11 was given by Russell Ellis, a delegate from this chamber. Roy Berry was lauded by the chamber with a standing vote of thanks for his efforts put forth in the exhibit won by the chamber for the lovely exhibit was presented to the American Legion of Torrance for its flower show last year by the Keystone chamber. It was then won both last year and this year. If won for the third consecutive year it will become the property of this chamber.

After adjournment of the regular business meeting, the Salamanders, the frolic division of the chamber meetings, met with Russell Ellis, chairman in charge. Reports (Continued on Page 4-B)

Visitors, prizes were won by Mrs. H. Whitte, Mrs. A. Stuart of Lomita. For lunch dinner was served by the hostess at noon. The following guests: Mesdames H. Conze, Ray Sullivan, H. Whitte, A. Stuart, W. Whitte, Effie Palmer, C. L. Palmer, W. M. Fink, Ellen Smith, C. B. Hamilton and L. S. Brown.

City Planners To Meet at Long Beach

The Association of City Planners of Los Angeles county owing to the fact that the regular meeting date conflicts with the Convention of the League of California Municipalities, which is to be held at the Virginia Hotel, Ocean avenue, Long Beach, has decided to hold its meeting jointly with the Planning Section of the League.

The sessions begin at 10 a.m., of October 6, and last through Friday, October 10, a day of particular interest to the association members. The Friday meeting will be in the nature of a trip to Catalina, as guests of the city of Long Beach, transportation being furnished by William Wrigley, Jr.

Keystone Women Hear Discussions on Varied Topics

Legislative Bills Explained: New Committee Heads Are Named

KEYSTONE.—Mrs. Charles LeBoeuf, president of the Woman's club of Keystone, presided at the meeting of the club Wednesday afternoon at Booster's hall on Main street. Mrs. John R. Hilpert, music chairman, opened the meeting by leading the members in singing "America" and invocation. Mrs. LeBoeuf added the following chairmen to the present list: Mrs. E. H. Poole, American home; Mrs. G. H. Sapp, federation news; and Mrs. John Hilpert, music.

Mrs. George Nahmens, program chairman, gave a report on the recent Presidents' Council of the Los Angeles federation at which the club was represented by Mrs. G. H. Sapp, Mrs. George H. Koehler and Mrs. Nahmens.

Mrs. G. H. Sapp, legislation chairman, gave a talk on two bills which should be of vital interest to all women's club members. The first mentioned was the Assembly Bill No. 494, which was approved by the governor on June 19. It calls for a twenty-four hour school for children with tendencies toward crime. This will be in no sense of the word, a reform school, but merely a school to correct many cruel tendencies a child may have. The other law which Mrs. Sapp spoke on was in regard to the new school law which calls for every boy or girl of high school age to attend school in regular classes unless they are actually on a payroll. When the child ceases to be employed he must return to his classes and go on with the regular routine of high school.

Mrs. Charles A. Brazee and Mrs. George H. Koehler, captain of contesting teams in a membership drive, gave satisfactory reports on the drive. The speaker of the afternoon, Mr. Mort, of the Daylight Saving League of California, gave an interesting talk on this important subject which will appear on the November ballot as No. 7.

Deputy Constable Test Will Be Held

A competitive examination open only to male electors of Lomita township for the position of deputy constable of the township is to be held in the near future. The last day for filing applications is Monday, October 6, at 5 p.m. at the Los Angeles County Civil Service Commission. Arrangements will be made to hold the examination at some convenient place available in the township so that candidates will not be required to go to Los Angeles.

The requirements, according to a bulletin received this week by Postmaster Alfred Gour-dier, are that the candidates must be at least 25 years old, have a full common school course. The salary is \$110 per month. Other information concerning the examination may be obtained at the Torrance postoffice.
